SUNS CHARITIES 88, PRESENTED BY BILLINGTREE, TO HOST THE "SLAM DUNK" STREET PARTY NOVEMBER 5

PHOENIX – Suns Charities 88, presented by BillingTree, will hold its fourth annual progressive dinner and street party, Slam Dunk, on Saturday, November 5 in downtown Phoenix. Registration is set for 6 p.m.

The Suns Charities 88 Slam Dunk street party will tip-off with a cocktail reception on the Suns main court at Talking Stick Resort Arena, then move across the street for a sit-down dinner that is sure to stop traffic. The event will culminate with dessert and dancing under the stars with music provided by DJ Dean Michaels on the Fry's Plaza outside of Talking Stick Resort Arena.

Individual tickets are \$188 and can be purchased by visiting Suns.com/SlamDunk. Sponsorship opportunities are also available through Jennie Patel, Manager of Phoenix Suns Charities, at jpatel@suns.com. Those interested in attending are encouraged to purchase tickets early, as last year's event sold out.

Suns Charities 88, presented by BillingTree, was created in 2012 to offer a platform for energized business professionals across the Phoenix Metroplex to network amongst their peers. This powerful group of members works collectively to give back to our community through the philanthropic power of Phoenix Suns Charities. The combined efforts of Suns Charities 88 creates a forum for networking, professional development, philanthropy and fundraising opportunities that simultaneously creates a community minded, connected workforce across the Valley.

Phoenix Suns Charities has been focused on making our community a better place since 1988. Since its inception, Phoenix Suns Charities has invested more than \$17 million in our community. The Suns philanthropic arm has enjoyed another strong year for Phoenix Suns Charities, raising more than \$1.2 million for Arizona non-profits.
